The listing is actually an Add-on available for the Assassin's Creed Brotherhood. The current price listed on the Arsenal Direct site for ACB are \$59.99, \$79.99 and \$99.99. The ACB Friends Pack is listed as a separate product, with a \$129.99 list price. The current listing on the Ubisoft store are \$59.99 and \$79.99. Sales and versions The original retail version of Assassin's Creed Brotherhood was launched worldwide on October 25, 2011. A special edition version was also released for the US and Canada markets. This special edition contains the game bundled with a set of collectibles, a steelbook case, a gloss bag, and a five-disc soundtrack. The special edition is available for PAL markets and North America, European, Australia, and New Zealand. The special edition sold out in only two weeks after it was released in October 2011. It was later offered as a pre-order bonus to those who bought Assassin's Creed III. If the player pre-ordered Assassin's Creed III, a code for the special edition was included. Assassin's Creed Brotherhood is the first game to be included in the Assassin's Creed Chronicles which was released on October 25, 2012.[25] The first game in the series to use Move, an accessory that is included for the Xbox 360 version. Move was announced along with the game at Microsoft's E3 press conference for the Xbox 360 in May 2011. The Move controller is compatible with the Xbox 360 only.[26] A mobile version of Assassin's

. Title : Assassin's Creed II is a third-person Action-Adventure hack and slash video game developed by Ubisoft Montreal and published by Ubisoft. It is a sequel to the 2010 game Assassin's Creed: Brotherhood. It is the third in the Assassin's Creed series of video games and is the second sequel to be created by Ubisoft Montreal. Assassin's Creed II was released in North America on November 15, 2010, and in Europe on November 19, 2010, for the PC, PlayStation 3, Xbox 360 and Wii U. The PlayStation 3 and Xbox 360 versions of the game were released as a digital download only. The PC version was released through retail channels only, and a limited number of retail copies were shipped through GameStop and EB Games. It was released on the Wii U, PlayStation Vita, and iOS, allowing owners of these portable platforms to play a significant part of the game without the need for a television set. It is the only game in the series to release on the Nintendo DS. The game was released on the PlayStation 2 and the original PlayStation in Japan on December 3, 2011. The game was then released in North America on October 30, 2011, and was released on October 29, 2011 for the Xbox 360 and the Nintendo DS, and December 3, 2011 in Japan for the PlayStation Portable. A PC version for South Korea was published by KREPEL. The game was released on November 11, 2011 in Europe. On March 24, 2012, the game was released for the PlayStation 3, Xbox 360, and PlayStation Vita, with Wii U a few weeks later, on April 4. In Assassin's Creed Brotherhood there was the option for you to play as Aveline de Grandpré, The Templar's niece. In Revelations the storyline and her role in the game has changed.
