This JAR file contains a Java Applet that implements a ZynAddSubFX synthesizer. It has a similar interface to the XSynth synthesizer, although most of the controls are directly accessible from the user interface. If you guys know of any other Java applets that can implement a synth, please let me know.Universities are increasingly concerned

about the "deterioration" in the quality of their student intake after a university in India, including the prestigious Delhi University, admitted a batch of students in which many of them had cheated. New Delhi: The Uttar Pradesh board of intermediate and secondary education has passed a resolution barring the teaching of the holy book of Sikhism, Guru Granth Sahib, without appointing or authorising teachers.

New Delhi: A landmark ruling by the Supreme Court has upheld the validity of the government's Aadhaar biometric identification programme, but in the process made it clear that India's government can't demand citizens to give personal information to the state. New Delhi: Accusing the Indian government of "imperialist overreach", the US has said that it will not abide by the Delhi High Court ruling that allowed

JNU student union president Kanhaiya Kumar to go free. New Delhi: A group of students who have been arrested for distributing flyers during the Jawaharlal Nehru University protests have been remanded in custody by the Delhi police for 48 hours for investigation. New Delhi: Arresting two members of the JNU student union as well as a few student leaders and a media person, Delhi police have charged them with

sedition, holding a rally without permission and failure to disperse a public meeting. New Delhi: A Delhi court on Wednesday told lawyer Kanhaiya Kumar that he had been arrested "only for speaking against the government" and that he shouldn't have "apologised" in front of the police, in a case that has attracted controversy. New Delhi: The Delhi High Court has struck down the National Investigation Agency's attempt to secure

the personal details of students who were arrested for participating in student protests last year and sought to link them to a militant group. New Delhi: In what could be the beginning of a new trend in the country, the Supreme Court has raised its voice against terrorism and extremism by asking the government to ensure that such elements cannot be allowed to appeal.
