Elden Ring Crack With Serial Key X64

● Strategy → The new ADVANCED MERCENARY RPG □Copyright(C) 2017 G-CREST S.A. □ The full release! ELDEN RING game 2 is finally out! The sequel that you've been waiting for: ● New: Double equipment □1□Thick Stick / Slapstick□ It's a pair of weapons that emphasize the element of "thickness" in the "stake." In addition to the heavy and long front shaft, it has a handle in the back to help you swing it with less effort. ● New: Obstacle / Enemy guarding □2□Porter / Enforcer□ This is one of the most powerful "guard" weapons. By having a handle in the back, you can easily attack enemies while holding the porter in hand. ● New: 1, 2, 3, 4 Draw Rolling □3□Rolling Scroll□ This weapon gives you the chance to select or confirm the range you want to roll. In addition to the ordinary 1, 2, 3, or 4, you can use "11" as well. The effect is more powerful than the normal cards. ● New: "Glorious" Skill □4□Knife / Machette□ Instead of the normal "Attack", "Defense", "Defense for a period of time", "Defense with a cooldown" and the like, there is a special new skill "Glorious" which uses super weapons with a large amount of AP in the "Attack" or "Defense". ● New: "Bang" Combo weapon □5□Banget□ The control scheme of the weapon is similar to the dual weapons, but the "Bang" pattern is slightly different, and the "Bang" effect is strong. ◆Character design: ◆New combat styles ◆New weapon appearances ◆Material expressions ◆New equipment ◆New skills ◆New encounters ◆New battle themes ◆New combat effects The new "adventure RPG" ELDEN RING game 2 is finally out! The full release! ● How to play ◆Turn into a mercenary and go on an adventure ◆Attack as much as possible and strengthen your equipment ◆Duel against other mercenaries in battle, and achieve victory! ◆

System Requirements:

A DOS/Win95 compatible IBM PC compatible computer. Program Size: Program size will vary greatly, depending on what action you select. A basic 9.25" floppy disk should have enough room for the game. If you select "save game" when you finish playing, then the file size will be limited by the available disk space. The saving process will use the following actions to create the game files: If the game disk space is 16K, and the main memory is 8K then, you will need a main memory expansion kit
