by Outlier Software Co., Ltd. "A future where people live in the Lands Between" The  
massive world of the third Dragon Link game is developed from the original product's  
core concept, in which the player character, a protagonist, challenges the evil  
organization "The Six Dragon Plan." In addition to the opening quest, the game  
contains scenes with a tremendous number of characters. The rich story is supported  
by a vast volume of content. How many times do you get the chance to enter a giant  
dragon?! In the RPG Dragon LINKED, there are two types of dragons: The Hiscore

Form (Lv.1 to Lv.10) and the Hero Form (Lv.11 to Lv.20). Normally, a dragon is only able to enter its Hero Form from Lv.11 onwards. However, you can use items and items which are directly related to combat to increase the Dragon Form's strength. Attack of the Gems There are four types of gems that deal with increasing and decreasing your strength. Treasure Hunter's weapon is a gem that increases your strength when you equip it, but it decreases your strength when you go into battle. The Gem-Activator is a gem that increases the strength of your weapons. It is said that the Nine Dragon Gems are the true ultimate power of dragons. The Gem-Activator is said to be an integral part of the dragon that wields the key to the power of the Gem-Activator. In the RPG Dragon LINKED, the protagonist has the ability to connect to the Gem-Activator after a battle that requires a large amount of strength has been completed. However, it is only possible when you are a Dragon Link. In order to defeat Dragons, the protagonist must develop his own Charm Skill. The final battle is to face the Ultimate Dragon bff6bb2d33

For both the PC and PlayStation 4, we've enhanced our powerful online action RPG functions. By combining the launch of a worldwide new server with a system-wide server reform, we will be supplying a massive change to the number of players that can play simultaneously. Starting today, we will announce at 8:00 AM Eastern time on May 2nd, and we'll begin adjustments as the process goes. For PlayStation 4, the online features will be available on the day of the launch of the European version. During the adjustments, please continue to enjoy the current online play situation, and we will try to implement adjustments in good timing. We are very pleased to announce that the release of Tarnished was delayed to May 18th in North America, Europe, and Asia. In Tarnished, a fantasy action RPG game for the PlayStation 4, you can join with 3 other people and clear massive dungeons as an elite, to seek the "nest". For those who join a party, the game will allow you to assist each other, and the credits for the progression will be shared. After you have discovered the rules of the world, you can enter massive dungeons in order to search for and clear the obstacles in each stage. The reason for this delay is that we have restructured our operation so that we can promote the development, also as to optimize the operation. However, we still do not have a release date for the new fantasy action RPG. For the details of Tarnished, please see below. Tarnished is an action RPG game set in the lands between, a world where human society has sunk into chaos, and the other races are separated by borders. The prequel to Elden Ring, it was released in North America, Europe, and Asia on April 2nd, and received favorable reviews. The story is set in the lands between, where a mysterious power, the "Honey Bee" exists. Although its name is Honey Bee, it cannot draw its sting. In the world between, the shadow of Honey Bee remains.
