"I hate building things – that's why I came here, after all. There's nothing in my kingdom I can't do myself! And not only do I open up new lands to plough, I build roads, farms, forts, and even printing presses. If I weren't so ridiculously busy, I'd be having no end of fun." "Your majesty!" "Call me Mathias, please. " "Your majesty!" "Oh, what is it now?" "It's just, we've heard about the crisis in the Lands Beyond and now that the blizzard has passed, we'd like to see what we can do to help." "Oh. Well, I'll happily accept any help you can give. And now that we've got our hands on Elden Knights, we can certainly spare a few." "Thank you, sir. You know the thing that matters to us most is, of course, the safety of the kingdom." "Then what can we do to contribute?" "We could borrow some troops, that's one thing. And I mean real troops – not just the usual sort of servants or squires or thieves. "We have lots of them – they're just our castle guards." "Ah, yes. I've heard

Spoiler Warning! : The Elden Ring is a fantasy action RPG released on April 15, 2018 for the Nintendo Switch and PlayStation 4. I've been playing a lot of games recently. Most of them are related to the Nintendo Switch / PlayStation 4 like Fire Emblem: Three Houses, Fate/Extella, and many more. However, there are still some games that I want to play in a while. Hello, everyone! I'm glad to finally have a chance to present a review about the new fantasy action RPG - The Elden Ring. When I first heard about the game, I wasn't too excited. It was rumored to be released on the Nintendo Switch or PlayStation 4 around this time. But, since there wasn't any information about the game, I thought that the game might be something different from what I expected. In this article, I will be reviewing about this game. △ Introduction ◆ About the Author ■ History / Release Date △ Story ◆ Gameplay / Equipment △ Characters ◆ Graphics / Sound △ Difficulty / Conclusion ■ Introduction In my previous article, I introduced The Elden Ring and the fact that the game would be released soon. But, I didn't have much information at the time. So, I was still pretty excited about the announcement. However, I had some questions. How would the game's gameplay be? How long would it be? Would it have any connection to the Legend of Zelda series? I still remember that the release date for the game was decided when Eiji Aonuma was talking with the Legend of Zelda staff members. But, just like previous Zelda games, I still don't know how long the game would be. Since there is still no information about the game, there are still many people who think that the game is just another Legend of Zelda game with slight differences. That's why, I had a hard time deciding if I should read the article or not. But, as I was in the middle of writing this article, I got an unexpected news! A lot of RPG series fans were complaining that the game was not a fantasy RPG. However, some of the people also mentioned that the game would make up for the lack of fantasy elements by bringing the play experience to new levels. bff6bb2d33

## **Elden Ring [April-2022]**

By improving the combat system and equipment, we have been able to create an action RPG suitable for the Elden Ring, called "ELDERING: The Elden Ring -Elden Ring Game-". By introducing this, we also want to give Elden Ring players the opportunity to easily enjoy an action RPG. The combat system in the "ELDERING: The

Elden Ring -Elden Ring Game-" features many new elements that are unique to the Elden Ring, and it also adopts the changes made in the base and this time, the quest is completed more smoothly and without sacrificing the free-running system. As an action RPG game, the player runs around, attacks, avoids damage, and increases the value of the equipment and attributes. To increase the game's value as much as possible, there is a large number of events and monsters that are various in each field. We aim to create as many unique monsters and events as possible, so we have put in a lot of effort in the development. ► Content Players can create a character according to their preference by selecting from the primary race, secondary race, and level. Players can play in 3 different online modes. Players can summon up to 3 allies as allies. Players can develop weapons, armor, and magic via the recipe. Players can purchase accessories and furniture. Players can defeat monsters and achieve rewards in the online game. Players can enjoy deluxe equipment. Players can control the battle by summoning their own group of monsters at once. The game does not have an energy system in order to enjoy the action. Players can increase the value of their equipment by completing quests and battle. Players can customize weapons and armor according to their play style. ► Story The story in the game goes as follows: Players will live in a world where the Elden and the Dark have struggled for countless years. The holy Elden Ring has been impeding the path of "darkness", but one day the Princess of the Dark of the Dark Army who has lost her memory appears, and the story begins. Players will witness the love story between the Elden and the Dark. ► The Elden Ring The story of the "ELDERING: The Elden Ring -Elden Ring Game-" revolves around the Elden Ring. There are three players whose
