1. [ELDEN RING GAMES OPPORTUNITY] [Tarnished Prince] (HOT) [El Dorado] (HOT) The one who is without sin and will not permit the enemy to rest. [ ] The one who is a god among men and a demon among demons.  
01.10.12 01.06.12 02.04.12 02.02.12 02.02.12 02.02.12  
(The following contents are translated from original Japanese. Any errors in the text are entirely our responsibility.) [Tarnished Prince] is a Fantasy Action RPG set in a world where people strive to become the best, and where one day, you get a call from a boy. After receiving a message from an unknown place, you, the protagonist, and your friends journey to a huge battle over a Heroic Orb. It is a battle that no one thought would happen, but now, the world has been transformed forever. Along the way, you will get mixed up with a mysterious girl and a boy you don't know anything about. Castlevania: Order of Ecclesia will be

---

the first game in the highly anticipated Castlevania series to make its way to portable platforms. Here is a look at the newest information regarding the upcoming Castlevania title that will be available for PlayStation Vita on October 22. In the game, the modern day struggles of the Belmont clan, the legacy of the now-defunct Order of Albedo and Shai's conflict with the Belmont family continue throughout the ages. The cast of characters in Castlevania: Order of Ecclesia continues from the main series, and fans will get to enjoy a new and more intense battle system. Zoe (voiced by Shizuru Miyawaki), an Albedo Knight who wishes to duel and to fight the Belmont clan, becomes the female protagonist and the heroine of Castlevania: Order of Ecclesia. She is accompanied by Mina, an intelligent and curious girl who remains by Zoe's side throughout the journey, and Antley, a young and aggressive fighter from the Belmont clan. The game will feature a battle system that will have players gradually grow stronger as they progress through the story. The game will feature new gameplay features for such things as

### **Features Key:**

- Character customization
- An interesting story told in fragments
- Stunning graphics
- Freely changing the appearance of characters
- A vast field and dungeon with rich, detailed graphics and design
- Three-dimensional graphics that give the game a more real world feel
- A huge world that contains vast fields, dungeons, and roads. It integrates a rich fantasy setting with a real, three-dimensional feel.

---

Up to four players can fight together in the action RPG.  
No mega grunts, no robots, and no sheep

What are you waiting for? Download and play now.

**"With epic RPG charm in the purest sense, and a strategic combat system that re-examines the clash**

---

**of various archetypes, Elden Ring is a game that will meet the expectations of players of both the franchise and those fans of pure strategy and RPG." "I was completely immersed in the epic feel of the game and the sense of relief while being involved in the story. The game was difficult and I was often forced to make a difficult choice between running away, giving in, or taking a risk to protect the princess, but the urge to make those choices kept me going. That sense of excitement and pride kept me running around for over 100 hours on my first playthrough. It really is a title that you should not miss." "Elden Ring has a compelling story, a unique strategy system, and a variety of characters that complement the many situations. In other words, the game is packed with a ton of content. After a first-time playthrough, I found myself wanting more content, and now I am hoping to spend more time playing around." "The large scope of the world and the interconnectivity of story and gameplay created an experience that was like being in a truly beautiful story where I could participate directly in the world. I was enraptured by the vast world and the overwhelming drama. The game has a variety of entertaining characters and memorable scenes. After playing through the game, I found myself wondering what I should do next." "The sharpest parts of the**

---

game are the revamped gameplay systems and the redesigned UI. Of particular note is the system where each time you go on a new dungeon, you gain a number of magic, and the amount of magic you can have increased as you go deeper into the dungeon. The system creates an incentive to go deeper in dungeons and to undertake the investigation of dungeons." "Elden Ring is a game that is easy to play and has a long story. It is easy to get drawn into the story, and fans of the franchise and those who like Strategy RPGs are sure to enjoy this title." "You can feel both the nostalgia of the previous game along with the thrill of innovation. There is a lot of potential for future expansions, and if you are a fan of RPGs, I bff6bb2d33

### Elden Ring [Win/Mac]

When you want to play "World" by yourself, you can choose to enjoy playing "single-player (SP)" mode. Here, you can take in all the game's content and enjoy a game that has a considerable amount of potential play time. In the world map, you can set your own path and fight many enemies to acquire EXP as a reward. When you want to play "multipoint" by yourself, you can choose to enjoy "multiplayer (MP)" mode. In this mode, you will join a session

---

**where up to three other players (except you) simultaneously play the game. Once you have been connected, you can talk to each other and roam the world map at the same time. But, we will say that when you play the MP mode, other players may not always join your session at the same time. So, we recommend you play the SP mode first. Elden Ring game: You know that "ring" from the title? The Elden Ring is a sword that can be used as a weapon. The sword is your main form of attack. To create a ring, simply pull out a weapon that you have equipped, including a sword, a staff, a spear, and more. If you perform an action that breaks the balance of your sword (such as swinging it, performing hand-to-hand attacks, or swinging it with other weapons), it will change to a ring. In addition, you can acquire rings by defeating enemies. If you defeat an enemy with a ring, you can use it and equip it. You can use a ring when you want to use a weapon that cannot be used in a single strike. When you defeat enemies, you will acquire new ring items. You can equip these items as you please. Elden Ring game: Your weapon is a ring. Break the balance of your sword (swinging, hand-to-hand attacks, and the like) and use it as you would when you use the Sword. If you create a ring out of your sword, you can use it as a weapon while you attack enemies with the Ring. There are no weapons**

---

**that cannot be used with the Ring. If your sword breaks the balance, it will change to a ring. It is ideal to use a ring when you are in danger or when you cannot break the balance of your sword. Once you defeat an enemy using**

**What's new:**

**THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.**

## THE NEW

[Download Elden Ring With License Key \[Mac/Win\] \[Latest\]](#)

**1. Download the game client setup (exe file) 2. Install it. 3. Play the game, enjoy! How to play: - After installing the game client, you will be offered a choice to accept or decline the EULA. If you choose to accept, install the game client into a folder. - In Game Options -> Configure -> Input (Screen and Display) -> Change the Resolution, Video quality and Texture quality to best fit the Graphic Card (80% for me) - Play. - Finish the Main Story. - Before new game play, you can create your own character or choose one of the already made characters. - In game options -> Play -> Map (You will need a public game server installed) 1. The game is a video game. In order to run this game properly, the computer must meet certain system requirements. 2. We can not host the game in order to check it for you. If you are sure you have the specs, check it yourself and give us a report to test the game. 3. Feel free to contact**

---

**us if you have any problem. 4. If you have already activated the game client, please ensure you still have the game client installed. For Honor is a fast-paced free-to-play action multiplayer medieval combat game. The action is governed by Honor, a new action-oriented combat system where characters are granted three Honor that are tracked separately for each weapon, armor, and shield equipped. All three combine in one total Honor. Strengthen your character's Honor through meaningful progression systems that add more Honor to a weapon, armor, or shield as you earn new items and improve your equipment. For Honor features three playable factions - Knights, Vikings, and Musketeers - each with their own unique strength, weapons, and armor, as well as fortifications and the ability to control territory on the battlefield. Each faction has its own distinct combat style, and features an extensive levelling system, where players can upgrade a character's weapon, armor, and shield to increase its Honor or unlock new equipment. The game also features customizable character models, clans, and special multiplayer modes, in addition to monthly updates. Pay what you want for For Honor using the Humble Store and the Epic Games Store. Get For Honor: Epic Games**
