I'm using Apple Music and keep having it search for parts of songs when they are not played back yet. I find it quite annoying. ~~~ croon Since you're comparing apples to carrots, Spotify's (poor) quality is like apple's quality of a CD vs MP3. So yes, Apple's apple. ----- cmckay Siri really is impressive. I thought it might be really good a year ago, but it really has come a long way and works relatively flawlessly. It's really great to have it working in my car, especially when my Honda Fit has been pretty hard to get into.
