Elden Ring Features Key:

A vast world. Unearth secrets and explore the world between kingdoms.
Dungeons with 3D dungeons. Uncover the secrets of the dungeon to complete the task. (Hunting monsters that appear along with the boss, reading the scroll to acquire the items inside, and so on.)
Customize your appearance and equip any combination of weapons, armor, and magic. Have a unique style of play.
A powerful story. A vast story told by fragments.
Original concept by an IP maker who loves video games and traditional fantasy.
RPG elements. If you are a long-term fan of the genre, you will see that this is a game of "RPG with a twist." (There are things in place to shield you from heartbreak, but you will have to protect yourself

as you move forward.)
3D environment. An adventure that lets you ride the Storm Troopers released by the enemy kingdom.
Progressive transmigration in the dice game feature (a feature that lets you transmigrate enemies.)
Various jobs to select in Job Finder (a feature that lets you find powerful people in the world and learn the skills of the elite). (It's easy to find skilled people at the job-finding stations located near cities and towns.)
