Elden Ring Features Key:

A mesmerizing and open world without loading screen! Open the world as you please and roam freely.

Monsters scattered everywhere have their own patterns and various AI when encountering you. The player's character, necessary for you to defeat monsters, works as an AI and occurs when unexpected players attack you. It may be frustrating at times, but beware of hidden threats and be ready with a strong shield!

Play in a variety of difficult battles, ranging from low- and middle- level adventurers to a challenge against the strongest bosses. It's not just the physical difficulty of the bosses: the boss encounters tell the unique story of the world between the places of the ring.

A variety of skills to harness! There are many situations in which you could use certain skills to your advantage, but watch out! If you use too many, your survival will be at risk. If you don't pick the appropriate skill, you'll not be prepared for some situations.

You will not be alone. You meet people who live in various places of the Lands Between, such as swordsmiths, maids, and adventurers.

Encounter other various NPCs. The game's maps, made to connect the different maps seamlessly, also feature various people in need of help.

Many Traps scattered throughout the world! When unsuspecting adventurers stray towards a trap, they'll be caught by the guards and be captured.

Find hidden treasures! And it's not just about finding clues; there are many treasures hidden in addition to the ones in the dungeons.

Dive into the ability to perform unique actions. You can create the “Elden Ring” in addition to upgrading and obtaining rare items.

Use skills over the world map! A speed-filled, open world world seamlessly connects without loading screens.

It is natural that story elements evolve day by day.
