Rd Sharma Maths Book Class 9 Pdf

Math (2,052 views today). Math class topper gurgles with laughter as he wins Rs 50,000 from RD Sharma for scoring a perfect 1000 marks. In seven months since he started in September, the second topper from Rohtak has completed Class 10â€™™ â€™™. He has managed to score an average of over 90 per cent in all subjectsâ€™™ â€™™ and claimed that â€™œthe support from teachers and her brother-in-law, R D Sharma, helped him a lotâ€™œ. When asked about his future plans, he said: â€™œI have two sets of

goals: one is a scholarship and the other is to stay in high school.â€ In the exams, he topped the city with a perfect 100 per cent. His goal is to serve people. â€œIt is very satisfying to be the cityâ€™s topper,â€ he said. The class 12 student will now shift to the Delhi School of Economics where he plans to join the computer science stream. â€œThe goal is to complete my studies and do something for the community,â€ he said. He added that he will stay in contact with his brother-in-law. The class topper said: â€œHe has a huge passion for maths and keeps posting his solutions in â€˜Tutors Roomâ€™. I have a life-long admiration for RD Sharma as a mathematician. I have learnt a lot of things by reading his books.â€ On Sharma being his guide in mathematics, he said: â€œI couldnâ€™t have done anything without him. We used to have â€˜Mathematical Magicâ€™, a little magazine that RD Sharmaâ€™s brother-in-law would put out in his office.â€ Toppling class topper R D Sharma expresses his gratitude to his brother-in-law for the same. It was later discovered that the Delhi School of Economics, while choosing the best student from each city, does not consider a studentâ€™s financial background. Interestingly, the Delhi School of Economics has done this for the last three years. However, if the management find out about this, they might transfer the student to another institution.
