---

This game has a variety of weapons with which to fight off the various monsters in the game. The two main weapons you will use the most in this game are pistols and machine guns. However, there are several other weapons that can be found in the game. A pistol has a limited ammunition capacity. You can find multiple types of pistols in the game, and each type of pistol can be found in certain levels. You can also find other weapons such as the shotgun, rifle, and the submachine gun. Machine guns, on the other hand, are

---

usually found in levels. They  
hold much more ammunition,  
and require more skill to aim,  
so you
