Hundreds of new objects, textures and environments, many of them accessible to everyone.

What's New In Phaethon Solutions HistoLight?

Highlights: The program does not need any plug-ins or other third-party software to run It enables you to view the LAB, RBG and HSV histogram models together in any combination. Enables seamless share on the popular social networks The tool allows you to publish the histogram on Facebook, Google+ and Twitter You should know that you can also save the histogram in a PNG format on your computer and include it as documentation for one of your projects or exhibitions You cannot do any editing or corrections It is necessary to mention that the only thing you can do with the histograms you preview is select whether you want the smoothing on or off It would be nice if the program included an editor that enables you to make color channel corrections A very basic image histogram viewer User Reviews by Raul Perales-Arriola 3 1 by Zhereb Tambovna 1 0 Download for free Add review Download Details File name: Phaethon Solutions HistoLight.exe Uploaded by: akhaydjy File size: 16.0 MB Downloaded times: 0 times Download size: 16.0 MB Total downloads: 0 Favorites: No Top Review Add a comment 1 star 2 star 3 star 4 star 5 star Recommend Report inappropriate content Comments Contacting Developer If you believe that this app violates your rights and/or the rights of others, please use the "Contact Us" form to let us know.
