"It was only after I started the game that I realized that the protagonist's name is given as just "Rise." It could be that the development team made this decision due to the fact that the protagonist's name has the word 'Rise' at the end of it... At any rate, for one who enjoys fantasy action RPGs that are said to be about action, curiosity, and excitement, I recommend checking this game out." □Push Square□ "I found myself getting a deeper understanding of the characters' personalities. I liked how the story unfolded, and I felt that it was able to implement the dynamic theme of the game, 'Enjoy the thrill of fighting alongside others.' Moreover, it had an amazing sense of atmosphere." □NGamer□ "The system is able to hide the battle system, so even to those who are new to games, the basic 'attack' and 'counterattack' system should be easy enough to understand." □Official Xbox Magazine□ "While the system is somewhat complicated, if you enjoy action RPGs, you are certainly going to enjoy it." □The Game Music Revolution□ "The combat system is different from previous action RPGs. It uses an action point system for attacks, but you can also use item-based attacks. According to my play time, the action point system does not have a very heavy burden, so I was able to jump right in and enjoy it. I am sure that there are going to be people who will not be able to completely enjoy it, but if you love RPG-style action and enjoy having a strong sense of community with others, then I believe this is a game that you are going to fall in love with." □PlayStation Lifestyle□ "I'm curious about this game. It seems that just the release of this title, and its development staff decided to work on adding new RPG elements such as "world-traveling" and "member management." At the same time, I feel that the development staff spent a significant

---

amount of time on the details of the combat system. This game is also designed for those who love action RPGs. I recommend watching out for it." [GameSpot] "I think the game's world is fantastic. It has a great atmosphere and the opening images and music were really inspiring. I was even moved to tears at one point. The battle system in the game looks easy to understand, but it's actually a deeper bff6bb2d33

"Your pride may be your downfall." In an age where the lands once serene are being invaded, the society known as "The Tarnished" exists. These people are degenerates who have fallen into vices such as drug use, dalliances with prostitutes, gambling, and the like. They are called out by a group of people known as the "Disciples of the Heavens" as the "enemies of the Elden Ring." At this point, a hero named Tarnished Reed Wing is on the verge of being summoned to the Promised Land. However, the one who should be summoned is the hero of the Tarnished. To invoke the blood of the hero Tarnished Reed Wing, the goddess of knowledge and wisdom, is not your average ordinary summoning procedure. She is the one you must surpass. "Your pride may be your downfall" The truth of the Tarnished The truth behind the Tarnished is written in black and white in the Books of the War of Heaven. The War of Heaven is a fight between the gods of the previous age and the gods of the new age. During this time, the forces for the Elden Ring, led by the god of the new age, gathered all the residents of the land of Kamova in the hopes of defeating the gods of the previous age. However, the gods of the previous age had already grown strong, resulting in a battle that lasted over 100 years and the gods of the previous age and the forces of the Elden Ring were forced to withdraw from Kamova. The survivors of the Elden Ring and the gods of the previous age founded the current civilization known as the Tarnished. They gathered in the hidden lands between Kamova and the city of Rindekrey. However, after witnessing a time they couldn't even recall, they came to understand that they had lost. Now, as people of the Tarnished, you are being called to return to Kamova by the

skies. In the path of the fight between the Tarnished and the Elden Ring, a hero will be born. You will be sent to help the gods of the previous age in their fight. Help the gods of the previous age and defeat the Tarnished. If you fail to reach them, the word of the Gods of the previous age will be erased. And the Tarnished will reign in Kamova. Str
