"It is good that their thoughts should be searched after the elections, (and) they should be sacked," said the MNS chief. He said that this should be done as they are supporting the 'Maha-Mission'. "After 2014, a total 90 MLAs, 124 MPs and 52 Ministers should be removed by the Modi government. The NDA must join hands to sort out the situation," he said.Q: C# how to query specific fields in SQL Server? I have a SQL query, but I don't know how to select the specific fields from that result.
