[Abandoned unit] o THE END... After leveling up, you entered the final area of the Descended Dungeon. The bottom floor of the dungeon was the last stage before the boss room. There was a gate to the next stage which required an increasing level. Finally, after you cleared the gate, you encountered your last foe: The Elder Imprisoned. Lifetime ago, a huge feud occurred because a weak and spiteful king of the the former kingdom of Goldice was trapped in a Cell. Perhaps, he used to be a strong and brave king back then... However, following many years of imprisonment, the king gradually degenerated into insanity and cruelty. Unlike in the past, after defeating the boss, he left an unconscious lie in the bottom floor without any response. That's it. This is the story of a dwarf. This is an old story from the past. From the old times, there are very few brave men who have dared to accept this kind of hell-confrontation. "Let's fight with my power!" "Think about the power of the main hero!" However, the valiant dwarf came to this story with a different point of view... ..it is an account of a fantasy. THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. The big mystery for season-long fantasy owners will be how the Vikings' offense figures out a way to live without Peterson's help. As it is, Adrian Peterson is the leading fantasy football running back, at least for now, with 1,271 yards and 10 total touchdowns through Week 5. Before we get to the rest of the field, let's rank the entire running back depth chart. As the season goes on, we'll continue updating these rankings as players move up or down.
