Download Vita King Max Royale Vita King Max Royale V1.13.2 [GAME OF THE MONTH] Vita King Max Royale is a non-stop action game. Your job is to run back and forth, jumping over obstacles and destroying enemies. The game is over when you have destroyed a maximum amount of enemies or when the timer reaches 0. There are three different game modes. In Classic mode, you are on a continuous battlefield. There are a lot of enemies and you are trying to survive until the game ends. In Classic mode, if you lose and reset your game, you lose any points you've obtained so far. Classic mode is the most unforgiving mode. After you have mastered the Classic mode, you can challenge yourself in Survival mode. In Survival mode, you have to wait until the game ends and you can only destroy enemies. In Attack mode, your goal is to score as many points as possible. Each time you are able to destroy an enemy, you gain one point. The aim of the game is to help King Max Royale defeat his enemies. He has a special ability that can destroy the enemy right away. You can destroy the enemy by tapping on it. The soldiers that are closest to King Max Royale are more likely to die. In order to win the game, you have to move close to King Max Royale and tap on the enemy that is closest to King Max Royale. Your objective is to destroy all of the enemies before they destroy you. The enemies are 2, 4, 6, 8, 10, and 12, depending on the level. The game features a lot of awesome characters. Your opponents will appear when you reach the end of the map. You can choose different characters in the character selection screen. The characters include King Max Royale, Queen Marnie, Princess Charade, Princess Belle, Snow White, Donald Duck, Alice in Wonderland, and Daffy Duck.
