What I have found is that names of names in the past are often the same as the names in the present or future. For instance, a prominent past industrialist is now a well-known president. In other cases, the names are out of use for long time periods because they were never very common. In this case, the original name is quite common (some with this spelling). The actual bad news is not that they will sell any more but that we now have a. Many of the other names should be avoided for another reason, too: they're trademarks of large corporations. You don't need to be a lawyer to recognize that—especially since some of the companies are not found on the Internet. There are plenty of great names that are not trademarks of some major company. A: In my experience, all of the names that I have used in the past are still around. There are a lot of names though that would not be available to me if I didn't have my own name. BROOKLYN, N.Y. — It might have seemed a fitting place for a fancy party following a loss. Ask Dodgers lefty Hyun-Jin Ryu, who told reporters after New York's victory on Sunday that he regretted not having taken part in the celebration. Most Mets fans weren't as disappointed with Ryu's refusal to party as they were by a recent series of injuries that have left the Dodgers' rotation thin. Ryu has a back injury and right-hander Kazuhisa Makita has a pulled muscle in his back and arm. According to USA Today, manager Don Mattingly said at least two Dodgers who have been injured in recent days would be on the bench with the team in Washington, including Mattingly
