ABOUT KNIGHTS MIND (KMG) In the near future, our time of stagnation is disappearing. Like earthquakes and volcanoes, events are happening beyond our horizon. On the small island of Lundun, the crystal wall between this world and the parallel world known as Etherion, which had become pale and silvery, is disappearing. Convinced that the world of Etherion, which had been closed for about 1,000 years, is about to fall into eternal darkness, King Sirius sought to unify the two worlds into one single country. However, he was defeated by the powerful army of Etherion, which now controls the majority of Lundun. Sirius gathered his thoughts and one day left for Etherion alone to fight for the one he loved, Alice. He is now the king of the newly formed nation of Lundun and fights as the commander of the Knights Malice.
