As well as giving you quick access to your settings and notifications, live tiles can also be used to browse the Internet or even share your progress from a game. A lot of these tiles were developed in HTML5 and it is easy to do this yourself. Using Visual Studio 2012 and HTML5 Creator, I built the tiles for the BankRobber game as well as one for Twitter. We are finally rolling out Windows 8.1 Preview to Insiders! This release contains over 300 improvements and enhancements. Some of the most exciting 6d1f23a050
