php skrip untuk program perhitungan spk metode ahpl rj keras php script untuk program perhitungan spk metode ahplrj keras Hi, I'm new to PHP. I have a problem with the program I have got the data from a DB using SQL. I have put into my program to get the data. I have tried to use a database server (MySQL) and have done a "use strict" check of the program which would be a good idea to check. I have some problems with the program because I have not get the data from the DB as I want.
